

Disclaimer:

This presentation document and the associated webinar are provided by Vicinity Energy (“Vicinity”) for informational and educational purposes only. By attending the webinar or accessing this document, you acknowledge and agree to be bound by the terms of this disclaimer. The information presented reflects general market observations, historical data, and forward-looking opinions regarding natural gas and fuel market conditions as of the date presented. Vicinity undertakes no obligation to update, revise, or correct any information after the date of presentation, regardless of any change in market conditions or other circumstances.

Nothing contained in this document or presented during the webinar constitutes, or should be construed as, financial, investment, legal, regulatory, or commercial advice, nor does it constitute a recommendation to enter into any transaction or make any business decision. Market conditions are subject to change, and actual outcomes may differ materially from any projections, forecasts, or expectations discussed. All forward-looking statements are speculative in nature and are provided without any guarantee, warranty, or assurance of any kind.

No representations or warranties, express or implied, are made regarding the completeness, accuracy, timeliness, merchantability, fitness for a particular purpose, or non-infringement of the information presented. All information is provided "AS IS" and "AS AVAILABLE" without warranty of any kind. Vicinity assumes no responsibility or liability for any errors or omissions.

Participants are encouraged to consult with their own professional advisors before making decisions related to energy procurement, budgeting, or risk management. To the maximum extent permitted by applicable law, Vicinity and its affiliates, officers, directors, employees, and agents shall not be liable for any indirect, incidental, consequential, special, or punitive damages, or lost profits, whether in contract, tort, or otherwise, arising from decisions made or actions taken based on the information presented in this webinar or document.

All content is proprietary and intended solely for the use of the intended audience. Unauthorized reproduction, distribution, or use is prohibited. If any provision of this disclaimer is held invalid or unenforceable, the remaining provisions shall continue in full force and effect. This disclaimer shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts, without regard to conflict of law principles.
